Dear

Research society of BJMC & Sassoon General Hospital, Pune started in 1968 is one of the pioneering project in India to promote research in Medical colleges and Teaching Hospitals. Annual research society gathering is the show case of research work carried out by the young scientists and doctors in and around Pune. The research conglomerations are being attended by around 500-1000 enthusiastic doctors engaged in clinical practice as well as teaching. This year, Department of Preventive and Social Medicine shoulders the responsibility of organizing the XL Annual Conference of Research Society of B.J.M.C. & S.G.H., Pune. It will be held on **5th to 7th March 2014**. This conference will be able to provide a valuable opportunity to all the researchers, eminent health experts, scientist, administrators and budding doctors to interact with each other to know the technological updates, share research findings and imbibe recent advances in the field of medicine.

The conference also offers Prizes for outstanding research work carried out in clinical and Para clinical branches of Medicine. On behalf of the organizing committee, I request all the researchers, life-members, faculty, post graduate students, practitioners and under graduate students to participate and present their research work. The success of this traditional and valued conference is based on your whole hearted support. Kindly make it convenient to register and send the papers at the earliest.
